

Info centres for migrants, NGO, Governmental organizations

There are number of institutions, which deal with arrival and stay of foreign citizens in Bulgaria. If the people coming to the country are migrants, coming from third countries outside of the EU, seeking international protection, then the governmental institutions that deal with any questions regarding the stay are:

- [State Agency for Refugees with the Council of Ministers](#)
- [Ministry of interior](#) (Direction “Migration” and National council on migration and integration)

State Agency for Refugees ([source](#))

Foreign citizens, seeking international protection, may also seek help in all administrative issues regarding their stay as well as help in social and cultural integration in the Bulgarian society also from:

- [The Bulgarian red cross and red crescent](#)
- [The International organization for migration](#)
- [The Immigration integration center](#)
- [The Bulgarian council on refugees and migrants](#)

There are also different non-governmental organizations around the country, which provide help and support for migrants and their integration; which have different initiatives and projects implemented on various topics of integration. Such organizations are:

- [Bulgarian Helsinki Committee](#)
- [Association for refugees and migrants](#)
- [Demetra Association](#)
- [ViArt Foundation](#)
- [Caritas Bulgaria](#)
- [Alliance Children and Youth](#)
- [Samaritans Association](#)
