

CV, motivation letter

It could be helpful for a migrant in Bulgaria to have a curriculum vitae (CV) and a motivation letter when seeking job. The curriculum vitae will present the skills and knowledge the person has. The motivation letter will present the desire one person has to do a specific job.

Example documents (CV and motivation letter) can be found on the website of the European Commission - Europass

<http://europass.cedefop.europa.eu/documents/curriculum-vitae/templates-instructions>

The documents can be found in all European languages (including Bulgarian). Together with the documents on the website one can find also instructions of how to fill them in.
